

561 Steele Road

Country living at its finest! This eye-catching 10.2-acre country estate offers the space, privacy, and country lifestyle you've been looking for! A 1,000+ ft. hard-surface driveway winds through mature trees to an attractive 3 or 4 BR, 2½ BA multi-level brick & vinyl home with a 2-car attached garage and basement. The spacious living room showcases expansive scenic views of the countryside, front lawn, and tree-lined stream. Neatly designed kitchen featuring oak finished cabinetry, bar area, pantry, and appliances. The 13x14 master suite offers double closets, while the home office can easily transition into a 4th bedroom. Relax in the comfortable family room with a corner stone gas fireplace or enjoy the partially finished basement recreation room. The dining area opens to an enclosed screened porch and open patio wired for a hot tub—perfect for enjoying peaceful country evenings!

Outside is where this property truly delivers the country lifestyle! A 36x36 pole barn with concrete floor, electric, and 13-ft. doors provides plenty of room for an RV, equipment, and more. The insulated 30x40 garage/shop features wood heat, water, electric, and a 12x40 lean-to previously used for 4-H market hog projects. An 8x16 calf barn offers even more possibilities. Approximately 4 acres of hay and pasture, 1½ acres of woods, a garden area, 2 raised beds, shooting range, tree-lined stream, and beautiful mature landscaping complete the setting. Whether your dream includes livestock, 4-H projects, gardening, hobbies, hunting, or simply room to enjoy the outdoors, this property offers it all. Far more than just a home—this is the country lifestyle you've dreamed about! Less acreage available—call for details!
